## As an INTERN at Legal Atlas, I agree with the following:

**1** I will have the opportunity to define, together with Legal Atlas, the tasks most suitable to my education and interests.

**2** I understand that my internship hours and locations are flexible and I will have the opportunity to best fit my weekly commitment based on my academic schedule. I understand that in order to participate in the program I will need to have access to a computer and to the Internet and that Legal Atlas will not be providing them.

**3** I understand that I will receive general acknowledgment in the Legal Atlas website as an intern and contributor to the overall project. In the event I contribute to published documents, I will be also acknowledged as a co-author. Upon successful completion of my work at Legal Atlas, I will receive a letter of recommendation.

**4** My contributions to Legal Atlas when writing analyses or reports will be based on my sole authorship and I will not infringing or violating any copyright, trade secret, trademark, patent, invention, or other proprietary or personal right of any third party.

**5** I irrevocably assign to Legal Atlas the exclusive right, title, and interest in copyrights and other intellectual property rights in any work and material developed by myself under this agreement. The rights assigned to Legal Atlas by me include all United States and foreign copyrights, all copyrights under any treaties, conventions, proclamations or the like, and all renewals, extensions or continuations thereof; all artistic and literary property rights; all moral rights; and all rights to apply for or obtain any registration certificates for copyright in Legal Atlas's name.

**6** I will treat all Legal Atlas proprietary information with the same standard of care that I use in maintaining my own confidential and proprietary information, and I will not be negligent in administering LA information.

**7** I understand that I am not a regular employee of Legal Atlas, that my work will not replace the work of regular employees. I understand that this is a un-paid volunteer position for educational purposes only, associated with academic research in international law and policy. I have not been offered nor I am entitled to wages for the time spent at Legal Atlas, nor are there any expectations or offers of a job at the conclusion of the internship.

**8** I understand that Legal Atlas will not be providing health coverage for me. I acknowledge existing risks of illness, personal injury, detainment, or death, or damage to or theft of my property when performing my volunteer work.

**9** I understand that my participation on LA may be terminated at any time by the LA team or by me.

By typing my name in the signature box to the right I agree to the conditions of this agreement.
